OFFICE POLICY

Thank you for trusting us with your health. We are committed to providing you with the best possible care. Understanding our office policies and fees is essential.

Please initial any of the below that apply to <u>your</u> visits with us:

_____ ***I have health insurance***. We accept many major medical insurance companies. You are responsible for the payment of your deductible, co-payment or co-insurance on all visits as well as any and all fees associated with the collection of these payments. Any procedures deemed by insurance "non-covered/patient responsibility" may be billed to you. We accept **CASH/CHECK/MASTERCARD and VISA**

_____ ***I have health savings I will use to pay for my care.*** FSA/HRA/HSA reimbursement accounts: Funds available: $_____. Let our staff know if you have a plan-issued debit card or checks, or if payments come to us directly from your plan. If the plan is responsible to send payments to us from these funds, you may be asked to leave a credit card on file with us should the available amount be depleted before your deductible, co-payment, or co-insurance can be settled.

_____ ***I have been in an auto accident. Date of accident _____.*** If you were involved in an automobile accident, we must have copies of your auto insurance card (to verify Medical Payments Coverage), police report, and the at-fault party's information including the claim number and adjustor's name. Medical Payments Coverage (should your policy carry it) is considered as the primary payer. We **DO NOT** bill Medical Insurance carriers as they will expect repayment of funds from our patients for services rendered so it is our policy not to accept Health Insurance for car accidents.

_____ ***I do not have health insurance.*** I will be considered a SELF PAY patient.

Following is a list of our standard fees:

Examinations……..	$200-$375
XRays (including radiographic diagnostic analysis).....	$130-$250
Spinal Manipulation……	$75-$80
Therapies (includes: ice, laser, percussor, etc.).....	$45-$75
No-Show(fee to be charged due to cancelling without notice/no-show)…….	$35-$50

As mentioned, some of the charges listed above may not be covered by insurance. Charges for these services, if they are provided to you during your visit, may be your responsibility. Signing this form acknowledges that you understand the policies outlined here. If you have any questions and/or concerns, please feel free to ask.

LATE TO APPOINTMENT POLICY

If you are an **established** patient and you arrive to your scheduled appointment 15 minutes or more late, you will likely be asked to reschedule your appointment unless the Doctor's schedule can still accommodate you. Priority will be given to the patients who arrive on time and you may have to be worked in between those patients. This may mean that you will have a wait time in the clinic. If this is not convenient for you, you may choose to reschedule. It is always our goal to see all of our patients as close to their appointment time as possible.

Likewise, if you are a new patient and you arrive **AT** the scheduled appointment time and not 15 minutes before your appointment to complete necessary paperwork as requested by our front office staff, or have not completed our registration paperwork you too may also be asked to reschedule.

MISSED APPOINTMENT OR "NO-SHOW" POLICY

While we make every effort to provide our reminder texting system **24hrs** before your appointment it then becomes **your** responsibility to remember that appointment. **If you do not show up or call to reschedule your appointment, we will enforce the following rule:**

- **1st** infraction we will issue you a warning.
- **2nd** infraction you will be charged a **$35** missed appointment fee.
- **3rd** infraction the fee will increase to **$50** and will be charged prior to your next visit.

We ask that you please be courteous of the Doctors' valuable time and attention. This courtesy will also be afforded to the office staff as well as your fellow patients.

THANK YOU
